On August 21, 2017, a total solar eclipse will cross the entire contiguous United States, beginning in Oregon and ending in South Carolina. Incredibly, the eclipse will actually begin shortly after the sun rises on the West Coast (the sun appears to rise in the east and set in the west, but eclipses travel in the opposite direction - see here). In other words, people will witness a black sun ...

How many can see the writing on our wall that says punishments will come if our peoples continue to ignore God's commands? Notice these comments from The Expositor's Bible Commentary (revised edition) about the Third Commandment: "God's name (Heb. Sem) must be treated with the highest regard and reverence.
