The BS5975 code of practice developed  
because of several high-profile  
temporary works failures in the 1960's  
and 70's. Some of these failures caused  
fatalities and cumulatively they led to  
the publication of the Bragg report in  
1974. This was followed by the  
publication of BS5975 in 1982. The first  
temporary works guidance in the world.
