Here's how to find free books (both public domain and otherwise) through Google Books.

Cities Change And Conflict A

Cities, Change, and Conflict was one of the first texts to embrace the perspective of political economy as its main explanatory framework, and then complement it with the rich contributions found in the human ecology perspective. Although its primary focus is on North American cities, the book contains several chapters on cities in other parts of the world, including Europe and developing nations, providing both historical and contemporary accounts on the impact of globalization on urban ...

Cities, Change, and Conflict: A Political Economy of Urban ...

CITIES, CHANGE, AND CONFLICT - A POLITICAL ECONOMY OF URBAN LIFE discusses the importance of cities for the economic, cultural, and political life of modern societies. The authors consistently use the political economy perspective to introduce students to the basic concepts and research in urban sociology, while also acknowledging the contributions of the human ecology perspective.
