Websters Timeline

**Craniomandibular  
Websters Timeline  
History 1950**

Webster's bibliographic and event-based timelines are comprehensive in scope, covering virtually all topics, geographic locations and people. They do so from a linguistic point of view, and in the case of this book, the focus is on "Jacks,"

History Origin and early years. There has been much dispute over the invention of modern tennis, but the officially recognized centennial of the game in 1973

commemorated its introduction by Major Walter Clopton Wingfield in 1873. He published the first book of rules that year and took out a patent on his game in 1874, although historians
