As the 2500 series is a cut above the 2000 series for several reasons, the 1500 series are a big cut above the 1000 series. MTD's low end line (including the 1000 series Cub Cadets) are economic, big box store, consumer grade products intended to be used for a few years and "thrown-away" and then you buy a new one. They stay in business that way.
