The history of medicine shows how societies have changed in their approach to illness and disease from ancient times to the present. Early medical traditions include those of Babylon, China, Egypt and India. Sushruta, from India, introduced the concepts of medical diagnosis and prognosis. The Hippocratic Oath was written in ancient Greece in the 5th century BCE, and is a direct inspiration for ...

If a noble's power in early archaic Greece lay in the size and prosperity of his oikos, then it is evident that the loss of property and wealth through successive generations limited the sustainable power of noble families. Likewise, Davies explains that in democratic Athenian society, "the adverse effect of not having primogeniture is that ...
