Insurance Europe is the European (re)insurance federation. COVID-19: Insurance Europe remains fully operational. In line with Belgian government requirements, Insurance Europe's offices are closed until further notice. The federation remains fully operational, with all staff working remotely and meetings taking place via video/conference calls.

### Insurance Europe

Insurance Law has three areas of focus: insurance coverage, insurance defense litigation, and insurance compliance. Insurance coverage actions generally involve an insurer and the insured. The insured is seeking to recover under a policy of insurance, and the central legal question is whether the insured's policy covers the loss or liability.
