Notes from Walnut Tree Farm is as remarkable and as affecting as anything John Muir wrote; in fact, I think it is this century's Walden. It might even be the best of his books; or perhaps there is no need to rank them like this. It completes the triptych, begun with Waterlog and Wildwood, in the most wonderful way.'

Notes from Walnut Tree Farm – Bookazine

Walnut Tree Farm was Deakin's house in the Suffolk countryside. It was timber-framed, in other words made of local wood. He bought it in ruinous condition, and rebuilt it himself: a mediaeval house, with a moat that he liked to swim in. Every corner of his life was of a piece, intensely personal, fully and passionately experienced.

Notes From Walnut Tree Farm PDF Download Full - Download ...

This is an unusual and rather poignant book. Published posthumously, Notes From Walnut Tree Farm comprises the edited highlights of the notebooks kept by author, conservationist and swimmer Roger Deakin during what turned out to be the last six years of his life. The selected notes have been arranged into calendar months, so that they read like a single year's thoughts, reflecting the ...
