Tests & Fees | College of Veterinary Medicine at MSU

A major emphasis of the Animal Health Diagnostic Center is to extend interpretation of diagnostic lab data to our clients. We provide interpretations of test results to aid in differential diagnosis. To supplement this service, our Veterinary Support Services group provides consultations with veterinary practitioners, and assistance is provided to producers in the State and Region in test ...

Cornell University College of Veterinary Medicine

The Japanese Journal of Veterinary Research (JJVR) quarterly publishes peer-reviewed articles on all aspects of veterinary science. JJVR was originally published as a "University Journal" of veterinary science at Hokkaido University from more than 60 years ago.
