Principles of External Auditing - Brenda Porter, Jon Simon ...

External fraud consists of first-party fraud and victim fraud. External fraud is committed by a person or entity that is not a bank employee, a former employee, or a third party engaged by the bank. First-party fraud occurs when an external party, including a bank customer, commits fraud against the bank.

Operational Risk: Fraud Risk Management Principles | OCC

Third party audits are done by independent organizations that have no vested or conflict of interest in the organization being audited, like those that provide certification, or government agencies. Independence of the audit organization is one of the defining factors of a third-party audit.
