Ruud Avhiever Series 90 Plus Downflow ... - Year Round Comfort

This Rudd Super Quiet 80, 2005 furnace has been giving me problems for the 2 years that I have owned this house. It would not start 8 months ago, so a technician came out and checked it out, but it was working fine when he arrived. He then shookthe wires and it stopped and started, so he crimped all of the wires and then it worked good until 3 weeks ago, when would not start in the morning but ...
