Sales Acceleration. Sales Acceleration is the act or practice of speeding up the sales process using tools and technologies that improve the productivity and efficiency of sales professionals. Sales Automation

260 Sales Terms From A - Z: B2B Sales Definitions Glossary

Go with a higher pitch. At a lower pitch, your engine reaches maximum rpm at lower speeds. That means more initial pull, but a lower top end. A higher pitch prop reverses the equation: less initial pull, higher top end. The goal is to find a propeller that works fine for both acceleration and top speed, but truly performs when you want most.

Hotel Chocolat increases profit forecast after Christmas ...

(It's the foundation of the sales process I've used to build 5 multi-million dollar companies and run a \$4.5B sales team.) Here's why that matters: It's one thing to make a few sales here and there, but it's entirely another thing to be given a fail-safe system that delivers predictable, profitable results time and time and time again.
