Uncommon Sense - Nanyang Technological University

Even the idea of "fake news" being a relatively new phenomenon is, well, fake news. Our country was founded on fake news, and our first president—well, first-ish, but we'll get to that later—had so much fake news written about him that he makes Trump look like an amateur. People are still claiming that Washington had wooden teeth. He actually had dentures made out of metal and ivory, and ...
